

## Eskmills – Multicultural Celebrations

Eskmills Venue is often in demand for larger multicultural weddings, perhaps because ours is one of only a handful of venues which can accommodate up to 350 guests in a single room.

Our twenty-three tall arched windows mean our space is flooded with natural light during the day, making vibrant colours and textures positively sing. A decorative mandap can be set up or the wrought iron birdcage in our beautiful gardens is lovely for photos and licensed for civil ceremonies.

You can also host a religious ceremony complete with sacred fire if you wish, outside in the gardens or inside the wedding venue itself. The venue can be transformed with everything from lighting and flowers to specially chosen table linen and chair covers to ceiling swags, cushions and rugs. It's your day and we will work with you to make your wedding unique and special to you.

Our event planner and designers are on hand, should you need them, for advice and guidance so we can all make sure that the path to an amazing wedding is just perfect.
