## THE 'GUILT-FREE GUEST LIST' LARGE WEDDING PACKAGE

When it's your special day it's only natural that you want all your guests to join you for the whole day. It's hard enough drawing up the guest list never mind narrowing it down to day and evening guests! Which is why we've invented the Guilt-free Guest List Package.

For an affordable £10,000 you're free to invite 120 guests to join you for all the fun from the magical ceremony to fizz and final footsteps on the dancefloor. It's truly a fabulous way to involve all the significant people in your life. Why choose between day and evening guests when you can have it all?

As East Lothian's best and largest capacity venue we can also cater for up to 350 guests, so if your address books between you are bulging with fabulous friends, talk to us about how we can make your big day a truly big day as well as a big success.
